Sister Amani was born into an Islamic Egyptian family. She was taught to never question the teachings of Islam. She experienced first-hand that women in the grip of Islam suffer a life of great pain & hopeless-ness. Miraculously saved, Sister Amani now hosts "The Muslim Woman," the first Christian TV program for Muslim women hosted by a Muslim-Background Believer.

Ismail Nemr was born into a Muslim family in Saudi Arabia & was raised in Lebanon. He moved to America to pursue his studies in Pharmacy where he found Jesus Christ. He is now serving the Lord with his wife, Laura (an ex-Maronite) through live broadcast on satellite & social media, as well as travelling all over the world teaching about the Love of Jesus Christ.

These topics will be taught by ex-Muslim evangelists with amazing testimonies & hands-on evangelism experience. We look forward to seeing you there!**
